

## **Details of nCircle Tech Internship + PPO for 2026 batch 6 Oct 2025**

Greetings from nCircle Tech!

I hope this message finds you well. I am Rohan Shrivastav, working as an HR at nCircle Tech, a leading technology solutions provider specializing in CAD/PLM automation, AI-driven engineering applications, and digital transformation services.

We are looking to recruit talented and enthusiastic engineering graduates from your esteemed institution for fresher positions at nCircle Tech. Our goal is to engage with bright young minds who are passionate about technology and innovation, and to provide them with a platform to grow in a dynamic work environment.

### **Details of the Campus Drive:**

- **Eligible Streams: B.tech/B.E. (Computer Engineering, IT, Mechanical, E&TC)**
- **Batch: 2026 Pass Out**
- Selection Process: Online Test → Technical Interview → HR Interview

### **Program Highlights:**

- **Internship Duration: 6 months**
- **Mode: On-site**
- **Stipend: 12,000**
- **PPO Opportunity: Based on performance during the internship, selected candidates will be offered full-time roles at nCircle Tech with a starting package of 4 LPA to 4.5 LPA.**

I would be happy to connect with you to share further details or discuss how we can take this collaboration forward.

Looking forward to a positive response and a fruitful association.

Thanks & Best Regards

---
